DIRECTOR

Noah Pasackow

Noah is a U.S. Sailing Level 3 Coach and returns for his eighth summer as the Director of the CYC's Jr. Sailing Program. In the 'off-season' Noah teaches 7th grade social studies at Marblehead Veterans Middle School on the Red Team; focusing on ancient civilizations including Mesopotamia, where the first sailboat was invented! Noah's 'free' time is spent with his 2 year old daughter, running, travelling, reading and laughing hard as she experiences the world around her. Noah is most similar to a jellyfish as they are beautiful and yet dangerous creatures! Noah is looking forward to another sunny and windy summer!

Chloe will be going into her sophomore year at the University of Vermont where she is studying Biochemistry. In both the fall and spring seasons, she is an active racer on UVM's Sailing Team. When Chloe isn't sailing, you can find her hiking, running, skiing, or just enjoying the great outdoors. Chloe is most similar to is a lobster, because she sunburns very easily! Chloe is excited to spend her fourth summer as an instructor at CYC!

When not coaching, Will loves to ski, backpack, fish, and basically anything outside. He is also a rising freshman at Tulane University in New Orleans. If he was a sea creature, he would be a whale because he loves to eat and spend time with his buddies. Will is looking forward to making memories this summer at the Corinthian Yacht Club!

Tyler Lubeck

Tyler is currently a senior at Marblehead High School, where she sails on the MHS Varsity Sailing Team. This will be Tyler's second summer instructing at the Corinthian Yacht Club, and she is very excited to be a Certified Instructor this summer. For the past six years Tyler has been sailing and or instructing sailing in Marblehead Harbor; and she loves being on the water. In her free time besides sailing, Tyler enjoys playing soccer, skiing, and occasionally running. Tyler is most similar to a sea turtle because she loves to travel, and she likes to go with the flow. Tyler is very excited to return to the CYC this upcoming summer!

Caroline "Cricket" Tompkins

Cricket just completed her freshman year at Colby-Sawyer College majoring in nursing, and playing both field hockey and lacrosse. Cricket is so excited to come back for her fourth summer at the CYC. This will be her second year as an Instructor. Cricket grew up sailing in Marblehead at the CYC and continues to keep up her racing, sailing in the Wednesday Night Series as well as the Panerai Classic Yachts Challenge. If she could be any sea creature Cricket would be a dolphin because she loves to swim and be social with friends just like dolphins! She is looking forward to a fun, safe summer and seeing some familiar faces as well as meeting new sailors!

JUNIOR INSTRUCTORS

Hannah Frisch

Hannah Frisch, a Swampscott native, is a freshman at Connecticut College. She spent numerous years sailing for Pleon Yacht Club in both Optis and 420s. Since completing Pleon, she has sailed recreationally and competitively with her father in Sonars and Rhodes 19s. When Hannah is not sailing, she loves to play field hockey, tennis, go the beach, and be by the water. In terms of sea creatures, she loves blue tangs because that is the type of fish Dory is from "Finding Nemo." She is excited to be a part of the CYC Junior Sailing Program for a second summer!

Andrew King

Andrew is a sophomore at Marblehead High School. He is on the Fishwagon Sailing Team and loves to compete around New England. Andrew started sailing at CYC at a young age and has decided to return to the Corinthian to share his love of the sport with future sailors. As a former winner of the prestigious Pegasus Award while sailing for the CYC, he brings a great enthusiasm and eagerness to his new role as a junior instructor! Andrew enjoys socializing with friends and being in the Latin and Bridge Building Club. He feels that the sea creature he is most similar to is the stingray because its personality is calm and collected but if attacked it is ferocious!

Will Hancock

Will Hancock will be returning for his second season as a Junior Instructor at the CYC. He is from Marblehead and has been sailing since he was a young boy. Will has just finished his junior year at the Marblehead High School where he is a member of the Sailing, Soccer, and Track Teams. He spent his childhood summers at the Eastern Yacht Club and Pleon Yacht Club, sailing both Optis and 420s. Apart from sailing, Will enjoys playing soccer, skiing, and power boating. He thinks that he is most similar to a minnow because he thinks school is important but also likes to have a lot of fun. Will is looking forward to another summer on the water doing what he loves!
