

Noah Pasackow – Junior Sailing Director

Noah is a US Sailing Level 3 Coach and returns for his tenth summer as the Director of the CYC's Jr. Sailing Program. In the 'off-season' Noah is a 7th grade social studies teacher at Marblehead Veterans Middle School. Noah's 'free' time is spent with his 4 year old daughter, skiing, running, reading and laughing hard as she experiences the world around her. Noah is looking forward to another sunny and windy summer in Marblehead!

Emma Borggaard – U.S. Sailing Certified Instructor

Emma returns for her second summer to the Harbor she has sailed in for most of the summers of her life. Emma just finished her freshman year at the University of Richmond and is planning on majoring in Mathematical Economics with a minor in Spanish. Before college, Emma played soccer and lacrosse, she skis, and during the summer she sails. A Disney character that represents her best is Rapunzel because she is adventurous and also because of her hair! Emma is looking forward to another fun summer at the CYC!

Matthew Caplan – U.S. Sailing Certified Instructor

Matthew started sailing at the Corinthian at the age of 6. He sailed at the CYC for 8 years, most of which was spent on the Opti Race Team. Matthew raced 420's and Lasers at Pleon, and is also a skipper on the Marblehead High School Sailing Team. He is an avid swimmer and was co-captain of the MHS Swim Team. Matthew will be attending Tufts University in the fall studying Mechanical Engineering. When not on the water, you can find Matthew skiing, swimming or playing golf, tennis, or badminton. He is most similar to Lightning McQueen from the movie Cars because he likes going fast and racing (on the water). Matthew is excited to be an instructor at the Corinthian where his sailing career began.

Wilson Kaznoski – U.S. Sailing Certified Instructor

Wilson is currently a freshman at Fairfield University and is excited to get back out on the water this summer. He has been sailing in Marblehead since he was 7 years old, at both the CYC and Pleon. More recently, he was the captain of the St. John's Prep Sailing Team during his senior season. When he is not on the water you will be able to find him in the mountains, either hiking or skiing. If Wilson had to pick which Disney character he was most similar to it would be Goofy. He is fun to be around and never lets anything upset him!

Tyler Lubeck – U.S. Sailing Certified Instructor

Tyler Lubeck is currently a sophomore at the University of Maryland, where she sails on the Club Sailing Team. Tyler has been racing competitively from a young age, and has raced all four years of high school, on the Marblehead High School Varsity Sailing Team. This will be Tyler's fourth summer instructing at the CYC, and she is very excited to return this summer. Tyler is most similar to Elsa from Frozen because she loves to be adventurous and play in the snow for most of the winter. In her free time besides sailing, Tyler enjoys playing soccer, skiing, and running. Tyler has been sailing and or instructing in Marblehead for the past eleven years, and loves being on the water. Tyler is very excited to return to the CYC this upcoming summer!

Anna O'Connor – U.S. Sailing Certified Instructor

Anna is a new addition to the CYC team this year and is very excited to be joining us. She took a gap year prior to this summer and will be a student at the University of Stockholm in the fall. Anna grew up sailing, starting at age 6, and has been actively involved with the sport ever since. She is also currently a coach in Stockholm, working with their competitive Opti Team. She has a passion for the outdoors--hiking, backpacking, and skiing in her free time. Anna most strongly identifies with the Disney character Merida from Brave because she has a strong sense of adventure and loves to explore nature. She is passionate about coaching and is looking forward to sharing her knowledge with up-and-coming sailors!
